

## THE TULALP TRANSIT COVID 19 RIDER SOP

The purpose of this SOP is to establish uniform procedures, accountability and controls for the safety of the community, ridership, and driver of Tulalip Transit. It is the obligation of Tulalip Transit to impose these assurances.

The driver will carry out the following guidelines ordered during the Covid -19 Pandemic

### **Safety Guidelines**

The driver must wear a face mask while passengers are on board.

All passenger except children under the age of 2yrs old boarding must wear a face mask while riding the bus.

Social distancing measures are as follows.

- Seating will be marked showing distancing measures.
- Up to five (5) people from the same family will be allowed to ride together as long as there are no other passengers on the bus.
- Only 2-3 passengers not from the same family will be allowed on the bus at any one time.
- If there becomes a time when more passengers then described previously the driver will explain to passengers trying to board after capacity has been reached the will notify passenger of procedure, refer them to supervisor at 360-716-4206, then contact the supervisor to alert of the situation.
