ADVOCACY CENTER

OUR SERVICES

Advocacy is available to clients who want to meet one-on-one with an advocate. Sessions are available on a walk-in or scheduled basis during business hours and are **confidential**. These sessions are strength and empowerment-based and include:

- Emotional support
- Identifying coping skills and problem solving
- Information about the effects of trauma and victimization
- Referrals to other community resources such as housing, medical treatment, and counseling
- Safety planning
- Assistance reporting to law enforcement
- Assistance with filing protection orders and other court forms
- Court preparation and accompaniment

Emergency Financial Assistance is grant-dependent and may be available to clients on a case-by-case basis. This may include:

- Basic needs assistance
- Emergency hotels
- Rental assistance

All services are based on eligibility and current funding availability.
